Strategic Plan Evaluation

No later than June 15 of each year, the Strategic Planning Team shall reconvene to assess the district's progress in implementing the strategic plan. At that time the Superintendent shall develop a report to the Team reviewing the district's progress and shortcomings in implementing the strategic plan and recommending changes in direction or priority in the strategic plan that are necessary or beneficial. Modifications will be approved by the Strategic Planning Team.

No later than August 1 of each year, the Board will meet with the Superintendent in public session to review the Strategic Planning Team's report. The Board will review the progress of the plan, and consider amendments and changes in priorities in the plan and realignment of resources in terms of changed or changing circumstances.

Proposed amendments to components of the strategic plan shall be approved by the Board following a public hearing on the merits of the proposed amendments.
