Parent/Caregiver session

Trauma-Informed Practices

In small group, break-out sessions, participants will learn that trauma-informed practices begin with recognizing our own emotions. Developing positive relationships is the foundation of trauma-informed practices that adults must model for children.

General Session Presenter: Minerva Pardo, West Valley

Regulates own emotions and behaviors.

Establishes and sustains positive relationships

Participates cooperatively and constructively in group situations

Social-Emotional Development: Teaching Strategies Gold/WaKIDS, Components 1-3
